Cottages at Kelly Farm are the pinnacle of townhome and patio home living in Northern Colorado.

Pine Grove offers 2 beds and 3 baths, with a 5-piece luxury master bath and a full ensuite for the second bedroom. A pocket office space, mudroom drop zone right off the garage, and a full unfinished basement quickly make clear this home's versatility. Vaulted ceilings in the living and dining rooms add to the spacious feel. In the kitchen you'll find Alder cabinetry, a composite sink, granite counters, and Whirlpool stainless appliances. Built to the Energy & Environmental Building Alliance's Best Practices Standards, The Pine Grove comes with a passive radon mitigation system, 13 SEER air conditioner, 92% efficiency direct vent furnace, and an on-demand tankless H2O heater. The insulated basement slab, insulated basement walls, and engineered silent floor trusses collaborate to keep quality top-of-mind. Throughout the home, 9' walls keep the space open, even in the basement. And an oversized garage w/ 8' door ensures you can live large at this patio home.
